

All Standard Exposed Sizes:

Width: 9", 13", 21"

Length: 17", 27", 37", 57", 116"

Offset detail

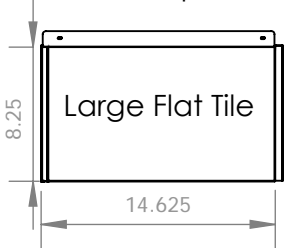

System depth = 5/8"

Standard Lay Flat Sizes

Exposed sizes have been standardized from working with 48" x 120" sheets. These sizes are offered to maximize material efficiency to offer the best price / sqft.

Example: 9" x 37" exposed panel
 Flat blank (accounting for hems): 12" x 40"
 Width of sheet 48"/12" = 4 + Length of sheet 120"/40" = 3
 Total 12 panels per sheet

Scale Comparison

9" Width Lay Flat Panel
